I would really like to see the golf course updated and maybe even have a grounds crew cut and clean the course. I would also like to see maybe at the 4 of july celebration there be some music besides SALSA and maybe even food besides Puerto Rican food. I would also like to see the equiptment at the gym actualy be in working order.

I work at a reserve center in Puerto Rico as an active duty soldier and to be honest, MWR here is not working. The main post is Ft. Buchanan which offers 'some' and I am stationed in Juana Diaz over 1 hr away and down here there are NO support for it and makes it difficult to drive during the week or weekends to use any kind of facilities or events. Need more support in PR besides one post for the entire island.

Services here are inadequate. Child care does not have any home providers and very limited CDC hours. I am required to work at night and on weekends, but no child care is provided in a location where I don't speak the local language. It is very difficult to live here and be separated from my support group. I would normally depend on MWR for safe recreation, but it is not available here. Civilians are allowed to use our facilities and they are overcrowded and therefore useless.

On this post there is no such thing as MORALE, WELFARE or RECREATION. The post housing is sub-standard, the school is sub-standard, PX and the attitude are sub-standard. The soldier is not an asset on this post, he is a cash cow. The Community Club needs to do more for the Soldiers and the community. There is a diverse culture at Ft Buchanan ad there is nothing for the Soldiers. There is a Salsa night however, not everyone likes salsa music. If the Community Club sponsored something that reached out to all personnel it will be a better place. Until then we have nothing to do on Ft Buchanan.

not for civilians

Overall Comment

CYS programs excessively expensive in comparison with off-post child services available, including summer camps; which are as good off-post as they are on post. Pre-school care centers from off-post seem to have staff with higher academic background than on-post. However, on post care givers are very caring.

CYS seems to have poor partnership with local off-post educational resources for children.

Lack of variety in food choices on post; especially nutritious food.

Post needs more islandwide tours for new soldiers and families to get to know the island.

Also more interaction with the local community, post residents seem to isolate themselves from the off-post community.

The MWR programs abd facilities are of great importance for all the military community, aznd that includes all the military forces not only Army. But since a lot of facilities need renovation, some customers are not using those as often as they would like. We have been under a moratorium on construction for the past three two four years. We need that moratorium to be lifted as soon as possible. That is the only way in which MWR could improve, do new construction or renovate facilities that needs it. We should give the best to our customers at all times, but we need help in that aspect.

I would like to see a shuttle bus on-post for those of us who lack either 1) a Puerto Rico Driver's License or 2) a car which meets the conditions to be driven on-post. There are many I.D. card holders who must park their car at the gate and walk On Post. This is due to the fact that either their driver's license is accepted Off-Post, but not accepted On-Post, or their car meets inspection for driving Off-Post, but not On-Post, or they are a two-adult family with one car, or teenagers. Now that the Security personnel intend to close the gate closest to the Commissary/PX, I do not know how AAFEES employees can be expected to walk the long distance from the Golf Course gate to their place of employment, if they cannot drive on post.

You mention choice of music. I have been here nearly three years, and the Puerto Ricans have really great, Salsa-style music. Now that your survey brings up the nostalgia of Jazz, Swing, or Classic, I must admit that it would be nice to have at least one concert per year of such non-P.R. music, a "touch of the States."

Also, most of the performers Off-Post perform in Spanish. It would be nice to be able to attend an occasional English-language performance. Since MWR has mostly Spanish-speaking employees, perhaps they do not realize the hardship it is to the English-speaking minority here. A little "sensitive-training" among the planners might raise their consciousness to the idea of bringing more frequent USO or other sponsored English-speaking entertainers to Ft. Buchanan.

The moratorium on construction at Fort Buchanan (PL 105-398) has really been terrible for MWR development, and in general for the whole installation. It seems like the Army, DoD, and Congress don't care about this installation (Ft. Buchanan, PR). New projects like a "LAP SWIMMING POOL" and expanded GYM would be good morale boosters for this forgotten installation.

We do not have all facilities and programs on this survey. This survey is really not applicable to Buchanan. No existent of facilities and programs - only few programs and facilities. Facilities are too small for the amount of users.

Overall Comment

This survey is not applicable to Fort Buchanan. The majority (90% or more) of the MWR facilities and programs listed in this survey are non-existence at Buchanan.

Lots of the replies as "Not use" is because of non-existance.

This survey is missing an important block: "N/A" - thus, increasing the % of error replies. This survey should not be use for decision making - main question as N/A is not posted. Army Interactive Customer Evaluation program is a good tool to find out customers MWR satisfaction/feedback and needs.

Since my arrival every year MWR sends out a survey for teens activities suggestions. However, teens activities always remain the same; this could be due to lack of resources, or based on personnel staff's programs, other.

We are very concerned with the possible inclusion of Ft Buchanan in the upcoming BRAC process. As you may know, Ft Buchanan is the only DoD installation that still remains in Puerto Rico. Therefore, if the base is closed then we, the people that has dedicated numerous years of their lives to proudly serve the US Armed Forces will have no place to obtain the services, support and privileges that we hardly worked for and are entitled to it.

If Ft Buchanan is closed, you may find a large number of PR veterans moving to CONUS looking for living places near DoD installations. You should made aware of this issue to applicable federal agencies or offices.

THEY NEED MORE FUNDING

Overall Comment

LIKE EVERY SPOUSE WHOSE HUSBAND IS IN THE MIDDLE EAST DEPLOYED, AND WHEN NOT DEPLOYED HE IS TDY, I NEED A GOOD MWR...MY ONLY PROBLEM HAS BEEN THAT FUNDS HAVE BEEN CUT SO BADLY THAT ACTIVITIES ARE GETTING POORER AND SHORTER AND LESS FREQUENT...WE NEED THESE ACTIVITIES. I PRESENTLY DEPEND ON MY QRMV TO SUPPORT ME DURING THIS VERY DIFFICULT TIME.

MWR NEEDS MORE MONEY FOR THEIR PROGRAMS.

THEY HAVE A GREAT STAFF, GOOD PEOPLE THEY JUST NEED THE FUNDS FOR THE PROGRAMS.

I WOULD LIKE TO SEE MORE NEWCOMERS ACTIVITIES, MORE LANGUAGE CLASSES, COOKING CLASSES AND MORE ROAD TRIPS ON THE ISLAND THESE ARE FUN AND A WAY OF GETTING TO KNOW THE COUNTRY.
